Human resources solutions to improve company performance - and your bottom line.

Our Services

Whistler's Personnel Solutions specializes in Recruitment & Human Resources Consulting.

Our **recruitment division** focuses on entry to executive level placements in the management, accounting and administrative areas. We offer our clients comprehensive search services from the screening, testing and interview stages, to the follow-up phase with both candidate and client.

Our **Human Resources Consulting Division** is designed for those organizations who do not have the resources of a dedicated HR professional or department. This Division offers a variety of innovative outsourcing strategies to assist clients in improving their business. We can mobilize the right people, technology and solutions to increase efficiencies - and your bottom line.

The cost of a bad entry-level hire can be a staggering \$8,000 to \$12,000 - ten times what it was 20 years ago.

What Makes Us Different?

Whistler's business community is a competitive and challenging environment for those calling it home. Whistler's Personnel Solutions is locally owned and operated by Sabine Bell, a human resource specialist for more than 16 years. She leads a team dedicated to understanding your organization's culture and challenges - and then finding the right solutions.

Working in partnership with clients, Sabine is directly involved in every aspect of each search from consulting and assessment, to budgets, research, interviews, testing and reference checks. Her Whistler expertise and market knowledge means tailored solutions, faster.

Our outsourcing and search strategies are comprehensive, and there are no surprises. We ensure strategies that will produce cost-effective and efficient results. This flexible and customized approach reflects our commitment to your business success.

Shoes to Fill?

What We Do

Recruitment Solutions

As an employment agency, our dynamic, inclusive approach ensures both clients and candidates are offered exemplary and proactive service. We look beyond the resume, interviewing all candidates to match goals, aspirations and personalities. This integrated approach is enhanced by our follow up procedures –because we want to exceed your expectations.

Permanent Placements

Create and place advertising and screen resumes. Interview and short-list candidates. Reference checks and information verification.

Temporary Placements

'Try-before-you-buy' – decide if an individual is a good fit for your organization. Or coverage during staffing shortfalls. Avoid payroll expenses – we handle all payroll and administrative costs.

Conferences and Trade Shows

From administrative duties to convention coordination and registration, we work with your team to ensure your Whistler meetings experience is unforgettable.

Outsourcing Strategists

Outsourcing certain business functions can be an effective strategy in maintaining your company's competitive edge. Whistler's Personnel Solutions specialize in outsourcing strategies that work for your business. Working with a team of specialists, we can:

- Develop customized team-building workshops and meeting facilitation
- Prepare customized Human Resources Policies, employee handbooks, supervisor guides, job descriptions, training check-lists, appraisals and training manuals
- Create a variety of HR forms
- Design orientation processes
- Conduct Employee Opinion Surveys

And our new "Human Resources Hotline" which is available to organizations throughout the business day to respond to inquiries about HR matters and offer practical and professional HR advice.

The Guarantee Quality People

It's simple. We are in the business of recruiting 365 days a year, and our services encompass entry level to executive searches. Our resume bank has more than 100 applicants who trust us to let them know about the right opportunity.

Great Value

We present you with candidates who have been screened and tested – complete with reference checks. Most important, we ensure they are committed to the success of their new organization.

Extensive Contacts

It's our combination of Whistler expertise and contacts that gets the job done. We partner with select agencies in Vancouver who have the same strong service ethic as Whistler's Personnel Solutions.
